can human brains perceive ultimate reality directly and what roles do the left and right hemispheres of the brain play in this modern physics clearly points out that space and time are illusions the intriguing question is how did mystics two thousand years ago come to the same conclusion without the aid of scientific instruments or advanced mathematics is there really a time less and space less sphere that we can access here and now by merely switching off or on specific neural circuits in the human brain would developing the right hemisphere of the brain open up a portal to this ineffable state is the dominance of the left hemisphere of the brain locking us within spacetime this book aims to answer these questions based on the most recent scientific developments

through the life stories of women such as camille claudel virginia woolf katherine mansfield anne sexton suzanne farrell and others and through clinical case studies susan kavalier adler offers penetrating insights into the nature of the creative process

kavaler adler contrasts unsuccessful psychological treatments with object relations therapy that is able to resolve the pathological narcissism of creative addiction and allow the emergence of healthy modes of self expression

shared realities participation mystique and beyond brings together jungian analysts and psychoanalysts from across the united states the united kingdom and france carl jung s concept of participation mystique is used as a starting point for an in depth exploration of shared realities in the analytic setting and beyond the clinical narrative and theoretical discussions move through such related areas as projective identification negative coniunctio reverie intersubjectivity the interactive field phenomenology neuroscience the transferential chimera shamanism shared reality of place borderland consciousness and mystical participation this unique collection of essays bridges theoretical orientations and includes some of the most original analytic writers of our time an essential read for psychoanalysts jungian analysts psychotherapists and analytic candidates
