new interchange is a complete revision of interchange one of the world's most popular and successful English courses. New Interchange is a multi-level course for adults and young adult learners of English from beginning to high intermediate level. Level one builds on the foundations for accurate and fluent communication established in the Intro level, extending grammatical, lexical, and functional skills. New Interchange teaches students to use English for everyday situations and purposes related to school work, social life, and leisure. The underlying philosophy is that language learning is more rewarding, meaningful, and effective when used for authentic communication.

designed to evaluate candidates' expertise and provide direction for continued learning. The American Board of Neurological Surgery (ABNS) Primary Written Examination is a required step to attaining board certification in the U.S. The rigorous exam requires substantial preparation. Each author brings unique qualifications to this publication: from writing previous editions to achieving the second highest exam score in the U.S. to the insights of a current chief resident. Their mission is to help readers comprehend the material and retain this knowledge rather than solely striving for the highest score. This essential board prep review mirrors the exam's multiple-choice format and seven sections: neurosurgery, clinical neurology, neuroanatomy, neurobiology, neuropathology, neuroradiology, and clinical skills. Critical care is presented in a new and improved layout. The third edition encompasses the numerous advances in neurosurgery since the 2004 edition was published. New key features include expanded coverage of endovascular techniques for the treatment of cerebral aneurysms, the latest advanced imaging technologies, and treatment paradigm updates for acute ischemic stroke. More than 1,000 questions with answers that include detailed, insightful explanations, high-quality illustrations, and superb anatomical dissections by Albert I. Rhoton, Jr., MD, and other masters. This invaluable board review will help neurosurgical residents prepare thoroughly for the primary ABNS exam. It is also beneficial for neuroscience residents specializing in neurology and neuropathology.
