learning about personal responsibility

as many parents can attest kids don't have to be on drugs or about to drop out of school to drive them up a wall in her new book Dr. Vedral discusses the everyday things that make parents wild and uses quotes direct from teenagers offering insights into the teenage mind and why they act the way they do

as God allows us to understand the mystery and marvel of brain science we have the exciting opportunity to reexamine our assumptions about human behavior perhaps nowhere does this impact our lives more profoundly than when we think about raising children especially teenagers where parents often see a sweet boy or girl who has morphed into an incomprehensible bundle of hormones and angst what we really ought to be seeing is an amazing young adult whose brain is under heavy construction and changing the way we see our teens will revolutionize our relationships with them organized by what we hear teens say things like "I'm bored you just don't understand why are you freaking out I hate my life or hold on I just have to send this" this book helps parents develop compassion for their teens and discernment in parenting them as their brains are progressively remodeled rather than seeing the teen years as a time to simply hold on for dear life Dr. Jeremy and Jerusha Clark show that they can be an amazing season of cultivating creativity self awareness and passion for the things that really matter

this detailed exhaustively documented account shows how and why just about everyone in today's teen pregnancy debate is wrong often disastrously so teenage sex and pregnancy modern myths unsexy realities presents a unique view of its subject by analyzing the extensive myths and fears that surround discussion of teenage sex and pregnancy including their relationship to popular culture poverty adult sexual behaviors and anxieties toward the increasingly public roles of young women award winning author Mike Males argues that today's discussions rely largely on falsehoods and the suppression of crucial realities his work details a new view of popular culture as a largely beneficial feature of teens' lives and presents a carefully documented analysis demolishing destructive myths about the new girl debunking popular arguments he shows that the teen sex debate is mired in interest group talking points that ignore difficult realities to advance politically attuned agendas it's time he writes to modernize the discussion recognizing that teens act in ways consistent with their interests with the sexual behaviors of adults and with the school and job opportunities afforded them

parents need help to teach their teens how to make decisions responsibly and do so without going crazy or damaging the relationship parenting teens with love and logic from the duo who wrote *Parenting with Love and Logic* empowers parents with the skills necessary to set limits teach important skills and encourage decision making in their teenagers covering a
